

**REMARKS**

Applicant appreciates the Examiner's careful consideration and favorable treatment of claims 2, 4 and 8-11, which are indicated as being allowable if rewritten in independent form.

The specification stands objected to based on a number of mere informalities. In view of the Examiner's comments, applicants have amended the specification. Accordingly, this objection should be withdrawn.

The prior art rejections are moot in view of the present amendment.

More specifically and based on the Examiner's indication that claim 2 contains allowable subject matter, applicants have amended claim 2 by incorporating the subject matter of claim 1. On this basis, claim 2 should be allowed.

Claims 3-11 should be allowed as depending from what should be an allowed independent claim 2.

In view of the above amendment, applicant believes the pending application is in condition for allowance.
